1 WHEREAS, plaintiff Michael Simon and defendant Toshiba America Information
 2 Systems, Inc. ("TAIS") are continuing to explore the possibility of an early resolution of this
 3 matter;

4 WHEREAS, consistent with those efforts, the parties have had numerous discussions,
 5 informally exchanged information, and recently conducted a second in-person meeting;

6 WHEREAS, the parties intend to continue these efforts over the next few weeks;

7 WHEREAS, given and to facilitate the parties' ongoing settlement efforts, and to avoid
 8 the time and expenses associated with full-blown litigation that may become unnecessary, the
 9 parties desire to continue to stay the litigation activity in this case and further continue TAIS's
 10 deadline to respond to the Complaint for 35 days;

11 WHEREAS, during this period of time the parties expect to be able to determine whether
 12 or not an early resolution is possible;

13 WHEREAS, if the parties are able to make significant progress towards reaching an early
 14 resolution of this action, and determine that an early resolution is achievable, they may seek to
 15 further extend the litigation deadlines, subject to Court approval,

16 NOW, THEREFORE, IN LIGHT OF THE FOREGOING, IT IS HEREBY
 17 STIPULATED AND AGREED by and between plaintiff, on the one hand, and TAIS on the other
 18 hand, by and through their respective undersigned counsel, as follows:

19 1. The deadline for TAIS to file and serve its initial response to the First Amended
 20 Complaint shall be extended to and including June 26, 2008;

21 2. The Initial case Management Conference shall also be continued approximately 35
 22 days from its currently scheduled date of July 7, 2008, subject to the Court's availability;

23 3. This Stipulation may be executed in counterparts, each of which shall be deemed
 24 an original, but both of which, when taken together, shall constitute one and the same instrument.
 25 Executed signature pages of this Stipulation transmitted by facsimile shall be accepted by the
 26 parties hereto and the Court as though they were original signature pages.
